Hello Apinyaon

Please look at these photos. As I said to you, you submit through your 'Semester 2 (2020 2021)- M202, classwork, Mid-Term Test 'Summative Assessment (Group B) section.

I hope this helps you

I do not know why this is.

This is my screen.

You may have to look in one of the other assessment sections to see if you have not accidentally moved the 'Mid-Term

Hello

Then I don't know what your problem is because I do not have that problem myself I am sorry. You may have even accidental deleted that section and will have to email me your worksheet separately.
